**THAT'S  
TIFFIN PARTS!**

## Industrial Engine Parts

As the exclusive supplier of OEM parts for Pettibone Class 3 lift trucks and Pettibone/Mercury forklifts, **TIFFIN PARTS** knows quality!

We supply high quality replacement parts for many types of industrial engines from:

- Toyota
- Nissan
- Mitsubishi
- Mazda
- Isuzu
- Continental
- GM
- And others

including pistons, rings, gasket sets, timing kits, valves, cam kits, rod and main bearings.

Engine Rebuilders count on Tiffin Parts as their primary supplier of high quality parts and unparalleled support!

## What People Are Saying

*"We are very pleased to have a reliable engine parts supplier to provide for our needs. TIFFIN PARTS gives us excellent service, competitive pricing and excellent quality parts for our forklift applications, both domestic and import."*

**Rick Miller**  
President of the E.R.I. Group
