Forestry Products

As a sister company to Pettibone/Traverse Lift and Barko Hydraulics and the original manufacturer and exclusive supplier of OEM parts for Pettibone cranes, backhoes, railcar movers, compactors, OMNI and Mercury equipment, TIFFIN PARTS knows quality!

We supply high quality replacement parts for many types of forestry equipment including knuckleboom loaders, feller bunchers, material handlers, crawlers and skidders from the following OEMs:

- Franklin
- Peterson Pacific
- Prentice
- Hydro-Ax
- Tigercat
- Timberjack
- Timberline
- CTR
- Timbco
- ESCO
- Koehring
- Husky
- Quadco
- Fabtek
- Rotobec
- And others

With thousands of parts in stock, we can supply the parts you need to keep equipment running like new.

Dealers and Independent heavy equipment repair shops count on TIFFIN PARTS as their primary supplier of high quality parts and unparalleled support!

What People Are Saying

"The parts availability is good and products are shipped on the same day that I place my order. The quality of the parts is excellent. The inside sales team goes above and beyond. The field sales representative has tremendous knowledge and has helped us to grow our business."

Phyllis Russ
Russ Repair Service

"The help I get from the inside sales team is great. They provide parts look up service whenever I need it. My field sales representative is also very helpful and the freight policy saves me and my customers money. TIFFIN PARTS' product quality is as good or better than OEM parts."

C.B. Parker, Jr.
Hwy 49 Forestry Parts

"TIFFIN PARTS continues to be a strong source for parts. Providing not only quality parts and service, but pricing at a rate well below OEM list. Keep up the great work guys. This is a big reason we are able to keep our customers coming back!"
