Invoices will be submitted by Seller to the location indicated on the Purchase Order and shall include the Purchase Order number, part number/product description, unit price, and name of person or party issuing the Purchase Order. Unless specified in the Purchase Order or agreed otherwise in writing, all invoicing and payments shall be made in U.S. dollars.

Buyer shall have the right (but no duty) to withhold payment for any amounts in dispute. Buyer shall have the right (but no duty) to withhold any payment and apply it to the payment of any obligations of Seller to Buyer arising out of the Purchase Order or any other Purchase Order or agreement between Seller and Buyer.

Seller expressly waives and releases any and all claims to any lien upon any Goods owned or purchased by Buyer. The foregoing waiver and release of liens shall not apply to any consensual security interest created under a separate Security Agreement executed by Buyer pursuant to Article 9 of the Uniform Commercial Code.

DELIVERY; RISK OF LOSS; EXCESS SHIPMENTS AND DELAYS

a. Time is of the essence in the performance of the Purchase Order. In the event of Seller's delay or failure to perform (except when due to a cause beyond Seller's reasonable control as outlined above), Seller shall pay to Buyer, upon demand, as liquidated damages and not as a penalty, an amount equal to 1.0% of the contract price of the Goods for every week of delay beyond the delivery date specified on the Purchase Order.

b. The Goods shall be suitably packed and prepared for shipment to secure lowest transportation rates (unless a premium method is specified on the face hereof) and to comply with carrier and packaging regulations, including the International Standard for Phytosanitary Measures for wood and wood packaging. Unless expressly agreed to by an authorized representative of Buyer, no charges shall be allowed for packing, crating, freight expenses, or cartage. Buyer may select the mode of transportation, the routing of, and the carrier for the Goods. Exceptions to stated routings and terms must be secured from an authorized representative of Buyer, and Seller shall be liable for excess transportation costs resulting from any deviation from Buyer's instructions.

c. Goods shall be delivered by Seller to Buyer's place of business from which the Goods were ordered, unless otherwise specified on the face hereof. Unless Buyer instructs otherwise, shipments with the same ship to address must be combined for the lowest freight rates. Seller shall not send partial shipments unless authorized.

d. Unless otherwise agreed in writing, all shipments shall be F.O.B. Buyer's destination, and risk of loss as to such Goods shall remain with Seller until the Goods are delivered and no nonconformities are cured or accepted. The party bearing the risk of loss shall be responsible for providing adequate insurance on shipments.

e. Buyer's count shall be conclusive, and Buyer shall have no liability for payment for Goods delivered in excess of the quantity specified herein unless Buyer elects to keep such excess, and then Buyer shall be liable only for the price thereof and not any incremental freight expenses. Such excess Goods shall, at Buyer's option, be subject to rejection by Buyer and redelivery to Seller at Seller's expense.

f. If, prior to the time for delivery, Seller has reason to believe that it will be unable to meet its delivery schedule, it shall immediately notify Buyer in writing indicating the cause of delay and the suppliers involved and shall use its best efforts to cure the anticipated delay. Upon receipt of such notice, or upon occurrence of an actual delay, Buyer may, in its sole discretion, (i) direct expedited routing of the Goods, with Seller being responsible for all excess costs, or (ii) cancel the Order by written notice to Seller and purchase substitute Goods elsewhere, with Seller being responsible for all resulting excess costs, including, without limitation, any increase in the price paid for the Goods and any expenses to expedite routing of the substitute Goods. Acceptance by Buyer of any part of the Goods shall not bind Buyer to accept the remainder. Acceptance of all or a part of the Goods shall not deprive Buyer of the right to revoke acceptance and return any part of the Goods or the right to make a claim for damages because of the failure of the Goods to conform to the Purchase Order by reason of defects or other breach of warranty or by reason of damage caused by improper packing. Buyer shall not be liable to Seller for failure to accept the Goods for causes beyond Buyer's reasonable control.

INSPECTION; REJECTION AND REVOCATION OF ACCEPTANCE

After receipt of the Goods, Buyer shall have a reasonable time, but not less than 10 days, in which to inspect and accept or reject the Goods, and payment for the Goods shall not constitute acceptance. Buyer reserves the right to reject Goods not conforming to the Purchase Order. Unless specifically agreed otherwise, Rejected Goods shall be returned to Seller for full credit or replacement, at Seller's risk and expense, including transportation costs both ways. Buyer may, at its option, purchase substitute Goods in lieu of the rejected Goods, with Seller being responsible for all resulting excess costs, including, without limitation, any increase in the price paid for the Goods and any expenses to expedite routing of the substitute Goods. Acceptance of Buyer of any part of the Goods shall not bind Buyer to accept the remainder. Acceptance of all or a part of the Goods shall not deprive Buyer of the right to revoke acceptance and return any part of the Goods or the right to make a claim for damages because of the failure of the Goods to conform to the Purchase Order by reason of defects or other breach of warranty or by reason of damage caused by improper packing. Buyer shall not be liable to Seller for failure to accept the Goods for causes beyond Buyer's reasonable control.

No warranties shall be deemed disclaimed or excluded except in writing signed by an authorized representative of Buyer. Repairs or replacements of defective Goods shall be made by Seller, without cost to Buyer, at any time within the applicable warranty period of the Goods, with any return shipping at Seller’s expense.

Furthermore, in the event that Buyer should be enjoined in such suit or proceeding from using any of the Goods, Seller, at its option, shall either (a) secure termination of the injunction and obtain for Buyer the right to use such Goods without any obligation or liability; or (b) replace such Goods with non-infringing goods equal in quality, type, and character to those purchased by Buyer's express order and to Buyer's satisfaction; or (c) remove such Goods and refund to Buyer the amount paid. The provisions of this paragraph shall not apply to claims, demands, suits, or injunctions directly attributable to Goods manufactured by Seller in accordance with Buyer’s specific instructions, specifications, design, or drawings.

Seller shall defend, indemnify and save harmless Buyer from and against any loss, cost, damage, or expense, including but not limited to reasonable attorneys’ fees, suffered or incurred by Buyer, Buyer’s employees, representatives for their respective directors, officers, employees and agents and/or for which any of them may be liable to any third party, due to, arising from or in connection with, directly or indirectly:

a. any and all claims made against Buyer by reason of injury or death to person or damage to property suffered or claimed to have been suffered by any person or entity and caused or alleged to have been caused by defective Goods or by any act or omission of Seller or of any of Seller’s subcontractors, employees, or agents;

b. any and all damage to Buyer's property, including property occupied or used by or in the care, custody, or control of Seller, caused or alleged to have been caused by defective Goods or by any act or omission of Seller or of any of Seller’s subcontractors, employees, or agents;

c. any and all claims made against Buyer by reason of injury or death to person or damage to property suffered or claimed to have been suffered by Seller or any of Seller’s subcontractors, employees, or agents;

NON-WAIVER; CUMULATIVE REMEDIES

The failure of Buyer to insist upon strict performance of any terms and conditions hereof, failure or delay to exercise any rights or remedies provided herein or by law, failure to properly notify Seller in the event of breach, the acceptance of or payment for any Goods, or approval of design, shall not release Seller from any of the warranties or obligations and shall not be deemed a waiver of any right of Buyer to insist upon strict performance of or any of its rights or remedies as to the Goods or as to or prior to subsequent default, nor shall any purported oral modification or rescission of the Purchase Order by Buyer be given effect of the terms hereof. Any right or remedy of Buyer provided herein is in addition to Buyer's other rights and remedies provided herein or by law.

COMPLIANCE WITH LAWS
