

LULL Serial Number Identification
Month-Year-Model-Engine-Transmission-Axles-101
X-X-X-X-X-X-101

Month	Year	Model	Engine	Transmission	Axles	SN
		The machine serial number plate is mounted in the cab below the seat. It is also stamped into the frame on the left rear corner of the machine.	The engine serial number plate is located on the right side of the engine on the gear housing near the fuel injection pump.	The transmission serial number plate is located on the left lower rear side of the transmission housing.	The front axle serial number plate is located on the left front side of the axle housing. The rear axle serial number plate is located on the right rear side of the axle housing.
